Associate (Education) 2004-2010
HLM Architects, Guildford

Project Architect/ Associate for University of Exeter Business School main building, this education project included lecture theatres, classrooms, offices and a large café, as well as extensive landscaping. Client facing role with full design responsibility.

Project Architect for Hartdige High School, Newport, Wales. The new build secondary school for 1450 required careful design of teaching and social spaces and included new sports and playing fields.

Architect at bid stage for Yewlands Secondary School, part of Sheffield Schools BSF. HLM were successful at securing this bid, together with BDP. My involvement with the design of Yewlands was instrumental in securing the contract.

Architect for the Wood View Learning Campus, Plymouth. Responsible for design and client liaison of the primary school and facilities for young mothers. Also involved with design of central facilities shared with an SEN and 900 place Secondary School.

Worthing and Southland Hospital, project architect on the Mortuary refurbishment and involvement in an office development for the trust, under Procure21.

Architect, 2001-2004
Foster and Partners, London

Bishops Square 1, Spitalfields Market, London
Architect on the 750,000 sq ft office component of the scheme, from initial design and feasibility studies, including right to light modelling. Involvement up to completion of shell and core, as part of a large multi-disciplinary team.

Languages: Fluent in Dutch, French. Some German
